

Dear Members

James Mansell will be giving a presentation **Friday 7:30pm 11<sup>th</sup> March** on his experiences in last year's AZAB (Azores and back) race.

We will also combine this evening with an overview on Gate Boat starts, our Handicap System and the 2016 Sailing Calendar given that the revised SI's and 2016 Sailing Calendar are now available.

A reminder that we're planning to hold the Conway Yacht Club Regatta on the 25<sup>th</sup> and 26<sup>th</sup> June to include evening entertainment on the Saturday. This is something that hopefully will promote Conway Yacht Club both sailing and as a club. Therefore we are looking for help, we need to setup a Race Committee ASAP, find OOD's and also committee boats – any help would be very much appreciated.

Please email me [keith.munro@conwayyachtclub](mailto:keith.munro@conwayyachtclub) if you will be attending the presentation and also if you can help us to run the CYC Regatta.

Finally, there is an opportunity to hold a training course run by the RYA at the CYC Club House on OOD, if anyone is interested, please let me know.

Many thanks.

Keith Munro
